### Accommodation in Desert Tents

**Morocco:** A... colorful country in North Africa. Bordered to the north by the Mediterranean Sea and to the west by the Atlantic Ocean, it offers a fascinating blend of cultures shaped by its proximity to Europe (Spain) as well as African countries such as Mauritania and Algeria. The local Berber people are a unique ethnic group who continue to preserve their traditions strongly and authentically to this day.

#### Program:

##### Day 1: Larnaca – Marrakech

Arrival in Marrakech, meet our representatives and transfer to your hotel. Enjoy a first introductory walk in the city, including the famous Jemaa El Fna Square. Check-in at the hotel and time to relax. You may arrange dinner at a selected restaurant. We recommend Royal Mansour / La Mamounia.
