10/09: Larnaca - NewYork

Departure from Larnaca with an intermediate flight connection and final destination New York. Meet & greet, transfer and check-in at the hotel. Free time for a first walk around the famous Times Square, in the city that never sleeps!

11/9: New York – Ellis Island, Statue of Liberty

Have your breakfast (not included) and make sure you are ready for the first and most important excursion of the trip: Ellis Island, where immigrants arrived and underwent their initial registration process. From here, one could say the creation of the American Nation began. The iconic Statue of Liberty, known worldwide, awaits you. Its history will unfold before your eyes today, while across the shore you will admire the skyline of the skyscrapers and Ground Zero, where the Twin Towers once stood. The site is only “a walk away” and is definitely worth visiting. Upon arrival, you will see the foundations of the Towers with the names of the victims of the attack, as well as the Orthodox Church that was damaged during the 9/11 attack, as it became known in history.

Afterwards, free time: You may return to Times Square by train for a real taste of American daily life, or take a taxi to your next stop. Optionally, you may attend a Broadway show or enjoy shopping.

12/9: New York – Finger Lakes – Niagara Falls

We depart from the Big Apple heading north, passing through the beautiful Delaware Water Gap towards Watkins Glen State Park, in the heart of the Finger Lakes region.

We walk through Watkins Glen Gorge to admire the spectacular waterfalls and continue towards Niagara Falls, passing by Seneca Lake, arriving late in the afternoon. (During the winter season, the program includes a visit to Montour Falls instead of Watkins Glen State Park).

Tour of the American side of the falls, including visits to the American Falls, Goat Island and Luna Island. In the evening, enjoy the waterfalls illuminated with spectacular colorful lights.

13/9: Niagara Falls - New York

Departure from the hotel and experience the impressive power of the waterfalls. We will see the majestic Horseshoe Falls up close and enjoy a unique experience aboard the Maid of the Mist boat cruise (May–October). During the winter season (until April), when the boat cruise is not operating, the program includes a visit to the Power Vista Hydroelectric Station and the Cave of the Winds.

At noon, departure southbound towards New York. Along the way, stop for shopping at a large outlet mall featuring famous brands at affordable prices.

Arrival in New York in the evening. The excursion ends at the bus station, followed by free time for dinner.

14/9: New York - Free Day

In the city that never sleeps, the options are endless!

Enjoy a walk through Central Park (even by horse carriage), explore Little Italy and Chinatown, attend Broadway shows, go shopping, and experience much more.

Use public transportation or simply walk around the city while admiring the skyscrapers. Visit the Empire State Building for panoramic views or enjoy a unique meal from above!

15/9: New York – Washington D.C.

Breakfast (not included) and departure from New York heading south, crossing the states of New Jersey, Delaware and Maryland until arrival in the capital of the United States, Washington D.C. First stop at Arlington National Cemetery, where we will visit the Kennedy family gravesite. Continue to Capitol Hill, where we will see the Capitol Building, the Senate and the White House, discovering the heart of American political life.

Continue to the Air & Space Museum (or alternatively the Natural History Museum if the first is unavailable).

Visits follow to the Lincoln, Korea and Vietnam Memorials.

In the afternoon, panoramic city tour and return to New York with arrival in the evening.

16/9: New York - Las Vegas

Transfer to the airport for your flight to Las Vegas, the city of lights and entertainment, also known by locals as Sin City. From the moment you arrive in Las Vegas, you will immediately understand why. Meet & greet by our local partners, transfer and check-in at your hotel. Immediately afterwards, free time to explore the Strip, the famous central avenue where the well-known hotels are located.

Θα δείτε επίσης τα απομεινάρια ενός παλιού εναέριου συστήματος μεταφοράς, που προσθέτουν στην ιστορική ατμόσφαιρα της περιοχής.

At Eagle Point, named after the shape of an eagle in flight, you may enjoy your meal at the Skywalk Café with breathtaking views. For the more adventurous, the experience reaches its peak with a walk on the Grand Canyon Skywalk, an impressive glass platform suspended over the canyon, offering unique views of the endless landscape.
